January 2019 -

Contributed to multiple projects, leveraging a wide range of modern technologies including:

- Front-end: React, Next.js, Astro, Preact, HTML5, CSS3, TailwindCSS, Bootstrap, jQuery
- Back-end: Node.js, Express.js, Firebase

- Mobile: React Native
- State Management: Redux.js, React Query, Nanostores
- Languages: JavaScript, TypeScript
- Other: PWA, REST API

Key Achievements:

- Led frontend development of multiple projects
- Developed a feature-rich mobile application
- Designed and developed RESTful APIs

Technical Skills

- Frontend: React, Next.js, Astro, Preact, Svelte, HTML5, CSS3, TailwindCSS, Bootstrap
- Backend: Node.js, Express.js, Firebase, Cloud Firestore
- Mobile: React Native
- State Management: Redux.js, React Query, Nanostores
- Databases: Firebase, Cloud Firestore
- Languages: JavaScript, TypeScript
- Other: PWA, REST API, Git, Agile methodologies, WordPress

Education

High School Diploma *National Public School, 2007*

- Successfully completed 10th standard education
- Developed strong foundation in core subjects, preparing for future technical learning

Professional Development

- Continuously updating skills through online courses and workshops

Soft Skills

- Strong problem-solving abilities
- Excellent communication and teamwork
- Adaptable to new technologies and methodologies
- Detail-oriented with a focus on code quality and best practices
